You can deliver all textiles and clothes – also textiles with some damage to textile stations / containers.

YOU CAN ALSO DELIVER SORTED WASTE ON THE RECYCLING STATION.

Look at www.vkr.no for placement.

Outside most shops there are containers for glass and metal.
You can also deliver bulbs, fluorescent lamps and batteries there.

** You can rent a container just for diapers from us.

* These types of waste can you deliver free on the recycling station.
